## ***INFO FOR THE ACTIVITIES***

-  **2** On this exploration day, your child's educator will prepare activities that touch all 5 senses!
-  **10** On this day, the children will have the opportunity to create a musical instrument with their educator.
-  **14** Don't forget to bring your child dressed in red today! On this Valentine's day, the children will make special cards to bring home.
-  **29** The children will prepare a mini exposition of their art work created in the past month. You are welcome to admire their projects and to take photos when you pick your children up at the end of the day.

## ***INFO FOR PARENTS***

Please note that la ribambelle will be closed **Friday February 3rd, 2012** for a staff training day.

La ribambelle will also be closed, **Monday February 20th, 2012** for Family Day.

### **Fun experiment**

On a beautiful February day, why not plan an outdoor snack with the family?

With your children, you can prepare Jello outside! To do this, prepare the Jello as directed, take the mixture outside and pour the liquid on clean snow. Your children can observe the transformation as the Jello sets. Enjoy!
