

NOTE DE SERVICE

La ribambelle

To: All parents
From : Nicole Blanchette, Executive Director
Date : September 8th, 2008
Object : **Immunization card**

Dear parents!

Welcome to la ribambelle! It is a very exciting time for us as we start the new year. We are committed to make your child's time at la ribambelle, the best experience possible for his or her development.

I would like to remind you that as per the Ministry regulation, the immunization card of all children attending our daycare has to be included in the child's file. It is the parent's obligation to provide an up-to-date immunization card at the beginning of each year and throughout the year when new vaccines are added to the card. That document has to be in the child's file at all time. Failure to provide this document may result in a temporary suspension of the child until the file has been updated.

It is essential that all parents who did not provide us with an up-to-date immunization card of their child to please do so no later than Monday September 15th. You can give the copy to the supervisor of the center.

Thank you for your cooperation!
