Hello!

I would like to inform you that we are planning to open our new centre at École Ste-Marie in Chatham in January 2009. We will be offering a Toddler and preschool programs. We will open the center and programs based on the level of registration we receive since we require a minimum of children to open.

Also, please take note that there will be no ELP program at our center at Ste-Marie however the ELP program will remain at our Pain Court location.

We are also looking for qualified and unqualified staff at this moment. If you know of someone who would be interested or if you would like to change centers, please contact Rachel Thibodeau, supervisor at Pain Court, as soon as possible.

Thank you for your cooperation,

Nicole Blanchette,  
Executive Director
